1994 CABERNET SAUVIGNON

Napa Valley

Somewhat heavier than our 1993 vintage, this 1994 Cabernet Sauvignon displays the typical dense, highly-extracted fruit that comes from a long growing season and a smaller yield in the vineyard.

It has a sweet, spicy sandalwood nose and deep, rich, plummy fruit flavors. A touch of chocolate and a hint of varietal green character round out the luscious flavors in this wine. The blend is 89% Cabernet Sauvignon along with 8% Merlot and 3% Cabernet Franc. Still a young wine, it has soft, mouth-coating tannins but successfully manages to combine extract with balance. We expect great things for this wine, and it may go down as one of our all-time favorites.

Medium to medium-dark ruby; attractive, forward, cedary, spicy, ripe currant, berry fruit aroma with notes of dill and cigar box; medium-full body; rich, supple, herbal, slightly tart, ripe currant flavors; well balanced and structured; medium-full tannin; lingering aftertaste. Superior quality. Very enjoyable to drink now. Very highly recommended. *California GRAPEVINE - February-March 1998*
