CABERNET SAUVIGNON

Yountville Selection
Napa Valley

Like past offerings of our Yountville Selection, Cabernet Sauvignon, this is a limited production, single vineyard, 100% varietal wine. The color of this young wine is dark, opaque, and purple-red. All in all, it is a delicate but complex wine which first displays a subtle aroma of spicy, ripe berry fruit in the nose followed by soft, earthy, ripe fruit flavors in the glass. There are also some oaky, herbal notes and a touch of Bing cherries. Very nicely balanced for its age, it has a clean, slightly tannic finish and shows every indication of improving with several years of additional bottle age.

Winemaker's Notes
